Dear Sir:

The undersigned, being the attorney of record of the above-identified patent application, submits the following statement regarding the Substitute Sequence Listing in paper and computer readable form submitted herewith:

I hereby state that the content of the enclosed substitute paper and computer readable forms of the Sequence Listing are identical, and that they contain no sequence information that would constitute new matter beyond the originally filed application.

Further, it is respectfully requested that the paper copy and computer readable form of the Sequence Listing filed herewith be substituted for those filed on July 25, 2002.
